Where possible, we advise communicating this to your participants to avoid any delays in gaining entry on the day. Exit from the premises is by coded barrier which will be provided to you on the day of play.

Society & Visitor Terms & Conditions

1. Etiquette

All Players should adhere to the Rules of Golf and Golf Etiquette at all times. Advice and assistance can be obtained from the Professional Shop.

Players must adhere to direction and guidance given by signage and Club Staff, particularly whilst out on the Course, and respect areas marked by ropes, cordons or marked Ground Under Repair (GUR). Greenkeepers and course machinery have the right of way at all times.

Players are reminded to rake the bunkers and repair any pitch marks, and to have all the necessary equipment to do so such as a pitch reparer. All players must have a pitch reparer in their possession to play the course. Avoid slow play where possible for the benefit of all.

At weekends and busy days during the week, a Course Marshal may be on duty to ensure timely play and etiquette is kept across the Course. Please follow any direction given by the Marshal.

If a tee-time is missed for any reason, you / the group may need to wait for the next available time if not immediately available. You may need to liaise with the Pro Shop during busy times.

Any costs arising from damage caused to the premises, course (chiefly tee boxes and greens), course furniture, or buggies through improper conduct will be payable by the participant, or the group organiser in their absence.

Anyone not adhering to Dress Code will be asked to change or visit the Club Shop for alternative clothing. Anyone unprepared to do so may be denied from starting or continuing their round. The Academy Course, Practice Facilities and Trackman Range operate a relaxed dress policy.

Golf shoes should not be worn beyond certain points in the Clubhouse, including the bar, restaurant and Function Suite. This policy may be relaxed at certain times of the year. Players may wear golf shoes in the general areas such as the Pro Shop and toilets, but we ask that you clean footwear with the air hose or cleaning tool before entry.

hospitality as part of your golf package, we advise an arrival of approximately one hour before play.

On weekends and busy days the Halfway House is likely to be open, offering refreshments and catering between the 9th green and 10th tee. Alternatively, the 'Juice Buggy' may be deployed to the Course offering a selection of refreshments. The Juice Buggy may park in high traffic areas or travel around the course. Both the Halfway House and Juice Buggy accepts cash and card.

Players are welcome to call the Clubhouse and place orders for food and drinks. Orders can be collected from the Bar/Restaurant or Pro Shop prior to, during or after play. The 1st, 9th, 10th and 18th holes all start/end at the car park.

The consumption of alcohol is permitted on the Course. Alcohol consumed on the premises must be purchased from one of our outlets to adhere to licensing. We ask Players to keep consumption and behaviour to respectable levels. Anyone deemed to be acting inappropriately may be asked to leave.

4. Adverse Weather

In the event that the Course is fully or partially closed due to adverse weather, you will be notified as early as possible on the day of play. In the first instance, you will be offered an alternative experience such as game time on the Academy Course and/or Trackman Range, if available and applicable. In the event of full course closure or if the alternative is not suitable, an alternative date of play can be arranged without charge. An alternative date should be confirmed as soon as possible. Course closure does not include the use of Temporary Greens.

5. Temporary Greens

Temporary Greens are sometimes a necessary part of preserving the course for the benefit of everyone. They may be in use at times when routine maintenance is being carried out or during times of adverse weather or prolonged periods of wetness. The status and playability of the course is assessed every morning by our Greenkeeping team. A status update is provided on our social media channels or can be obtained in advance of play by calling the Professional Shop. We will only contact you directly in the case of four or more temporary greens being in play.

In the winter off-season (1st November to 31st March inclusive): If nine or more temporary greens are active on your day of play, you reserve the right to amend your booking without charge (additional rates may be payable if changing the day of the week).

In the summer season (1st April to 31st October inclusive): If four or more temporary greens are active on your day of play, you reserve the right to amend your booking without charge (additional rates may be payable if changing the day of the week).

6. Buggies

Buggies (or golf carts) are available for hire to members and visitors of the Club. The hirer of a buggy must agree to the Terms of Use which sets out our responsible usage policy and expectations should any damage occur to the vehicle or course. All buggy users must accept and sign a copy of the Buggy Hire & Use Disclaimer in the Professional Shop before entering the course. Not doing so will result in the hire of private use of a buggy being withdrawn.

Private ride-on golf buggies are permitted on the course, but must be agreed with the Club in advance of the day of play. If using a private buggy or ride-on, you must report to the Pro Shop before play to be informed of the daily regulations. Anyone that doesn't may be removed from the Course.

Society & Visitor Terms & Conditions

Users of a private vehicle must hold a valid insurance policy. The Organiser and user of the buggy agree to adhere by any daily course rulings in respect of buggies and other ride-on vehicles.

The use of buggies is restricted to persons of 16 years of age. Children are not permitted to drive.

In the event of the breakdown of a private buggy or ride-on vehicle that requires the assistance of Bondhay Golf Club employees to remove it from the course, a Recovery Fee of £75.00 will apply, payable immediately following the service.

7. Weekend Bookings

Due to the prime nature of Saturdays and Sundays in the golf calendar, society and group bookings must settle the balance for bookings on these days no less than seven (7) days in advance. Payment can be made by bank transfer by credit/debit card. Amendment and cancellation terms apply, see section 8.

8. Amendment & Cancellation

Changes can be made to details of the booking no less than seven (7) days prior to the date of play. This includes aspects such as the number of players and hospitality requirements, but does not include amendment to the date of play. Any changes will be reflected in the final balance payable.

A change of date can be requested no less than thirty (30) days prior to the date of play, with the deposit being transferable to the new date. If an alternative date cannot be agreed, the Organiser accepts that the deposit remains non-refundable and non-transferable. The Organiser may only change the date of booking once if not in-line with the aforementioned terms.

If on the day of play less than the confirmed number of players are present, the deposit for the person or people will not be eligible for deduction from the final balance. For example, if you have booked for 12 players but only 10 arrive for play and you have paid a £60 deposit, only £50 will be eligible for deduction from the balance.

In the event of cancellation by the Organiser, the date of play will be opened back up to booking and the deposit forfeited. The Club understands that sometimes unique circumstances affect bookings and exceptions may be made in agreement with the Management.

In the event of a booking cancellation by the Club due to adverse weather, and without agreement on an alternative future date, the deposit will be returned to the Organiser in full.

The Management reserves the right to make exceptions or changes to these terms at any time.

9. Insurance

Individual golfers are responsible for holding their own public liability insurance policy (PLI) in the event of causing injury to others while playing golf.

10. Acceptance

The payment of your deposit to confirm the booking acts as acceptance of the Terms. All Societies and visiting groups must accept and adhere to the Terms contained herein and other Rules of the Club.
