

TRACKMAN DRIVING RANGE RULES, TERMS AND DAMAGE NOTICE

DRIVING RANGE RULES

YOUR SESSION

Players must check-in or book at the Professional Shop before play. Advanced bookings can also be made through our website, by phone, the Trackman App or through our third party partner(s).

Due to the nature of our driving range, sessions are booked with a allotted session duration. Please arrive at least 10 minutes prior to your booking time to allow for checking in and collecting your balls. Adjusted session end times cannot be guaranteed if you are late starting.

During busier periods, you may need to wait in the Clubhouse or at the entrance of the Trackman Range for your booking time to begin. Be courteous to others by not lingering around the Bays whilst another player is still in their allocated booking time.

Sessions will be 25 mins, 55 mins, 85 mins or 115 mins but can be extended by purchasing a slot through the professional shop if there is an available bay. Please leave your bay promptly once your booking has ended if not extending your session.

The ball machine is situated at the far end of the Trackman Range, along with baskets. Before your session you will be issued with token(s) to dispense range balls.

Different tee sizes are available on the Range, or more can be provided on request by the Pro Shop.

During hours of darkness, the bays and driving range will be illuminated.

Each bay features a heater which can be turned on using the push button within the bay.

Players are asked to keep the Bays and Range areas tidy by placing rubbish in the bins provided and putting balls baskets back at the ball machine after play.

Golf trolleys are not permitted in the raised platform area where the bays are situated. Trolleys can be left in the entrance area before the steps to the bays.

Under no circumstances should anyone go beyond the bays or designated walkways and on to the grass driving range. Players are permitted to use the two grass bays and chipping area, but are not permitted beyond the two practice bunkers.

Under no circumstances should golf buggies be driven on to the Range.

DRESS CODE

The Driving Range allows for a relaxed dress code but we ask that all players adhere to the following:

- T-shirt, shirts or tops must be worn at all times.
- Trainers or golf shoes to be worn. No open toe shoes.
- No clothing that bears offensive imagery or language.

HEALTH & SAFETY

Up to 4 players are permitted per booking/bay, but there should only be one player in the bay at any one time when play is active. Players should stay behind the barriers and/or on the benches when a player is in swing.

Balls are to be hit off the driving range matts only.

Additional balls should not be collected from the grass under any circumstances. Players found to be doing so may be asked to leave the facility and charged for excess balls at the maximum rate.

Right-handed golfers should play in Bays 1 to 7. Left hand players should book and use Bay 8. Right hand players can use Bay 8 if part of a group that has left-handed players, but we ask that you avoid booking Bay 8 if another is available and you are not left-handed.

The Trackman software automatically tracks balls and displays this on the monitor. Players should avoid hitting beyond the perimeter where possible. The system will notify the the Club on the third boundary breach and the session may be ended. Players using the grass bays should not use drivers or similar clubs.

Please check all surroundings before hitting a ball as any damages to monitors or fittings will be charged.

Bondhay Golf Club does not accept any responsibility for damage to any personal golf equipment. The Range is used at the player's own risk.

Injury to others caused by any user of the range is the responsibility of the player(s). It is recommend that all users of the Trackman Range carry relevant golfing insurance.

Players should be courteous to others when using the Trackman Range. This includes keeping noise to a minimum, no violent conduct (including the throwing of clubs) and use of foul or offensive language. Players that continually breach these standards may be asked to leave and may be suspended from future use.

Players under 13 years of age need to be supervised by someone over the age of 18.

DAMAGE NOTICE

The practice area, bays and equipment will be inspected on a regular basis by a Club representative. Players are encouraged to do the same and bring any areas of concern to the attention of a Club representative before the start of play.

The Player accepts responsibility for any damage they inflict to the practice area, bays, equipment or general facilities before, during or after their session due to negative conduct or by being in breach of the Driving Range Rules, listed above.

Any damage caused or faults arising during the session should be brought to the attention of the Professional Shop or other member of staff immediately.

The Player will check their surroundings before play to avoid damage to the bay and the infrastructure contained within. Any damages, including to the monitors, must be paid for.

Players will not under any circumstances deliberately target infrastructure and machinery, such as radars and ball collectors.

The Player accepts that any damage caused by the Player must be paid for in full. Bondhay Golf Club reserves the right to invoice the Player for the full amount of a new replacement item.

Where more than one Player is occupying a bay or booking, the Player who made the reservation will be the responsible party and should settle any dispute within their group, or present alternative details to the Club.

ACCEPTANCE OF TERMS

By proceeding with use of the Trackman Range, the Player accepts the terms noted herein.

All Players, Users and Spectators using the Trackman Range at Bondhay Golf Club are automatically bound by these Terms & Conditions. Anyone who wishes not to continue under this assumption are not permitted to use the facility and should not proceed. A refund can be sought at the point of purchase.
